

Year 2 Newsletter

Happy New Year - Year 2 !!

Welcome back to school for the start of a brand new term full of exciting learning opportunities!

This term we will be exploring the topic of Knights and Castles. We will be involved in lots of exciting activities to find out about what castles are like, why they were built and where they can be found. We will also be involved in lots of practical activities where we will be building castles, testing materials and exploring how castles were decorated in the past. We also will be visiting Durham Castle—which is a great experience for the children and will lead to some great drama and writing experiences based on this theme. So, all in all, this again is going to be a very busy term!!!

Thank you again for all your support.

Reading Books

Please can you ensure your child brings his/ her reading book to school each day. By doing this we can change books on a regular basis as well as fit in extra reading sessions with your child. Thank you!!

PE

Our PE day is now Wednesday and we are developing gymnastic skills .

Tissues

If you could spare a box of tissues for our classroom, it would be much appreciated. Thank you

Please remember, if there is anything you need to tell me about your child, you can catch me either before or after school.

Many thanks for your continued support,
Mrs Stephenson
