## Spring Term 2

We are now well underway with our theme of Knights and Castles. The children are showing great interest in the topic. This half term, we have already visited Durham Castle which was great! The visit will provide an excellent stimulus for engaging the children and developing the children's enthusiasm for wanting to learn lots about the past. We will also be holding Parents Evenings this half term and it would be lovely to see you to talk about your child's progress. As well as this, we have a class assembly on March 14th where we would love to show you what we have been learning about in class.

Many Thanks

### Reading Books

Please can you ensure your child brings his/ her reading book to school each day. By doing this we can change books on a regular basis as well as fit in extra reading sessions with your child. Thank you!!

### PE

We are taking part in multi skills every Wednesday morning this half

### Tissues

Please could you spare a box of cheap tissues next time you go shopping—just to stop us all catching cold!! Many Thanks

Please remember, if there is anything you need to tell me about your child, you can catch me either before or after school.

Many thanks for your continued support,  
Mrs Stephenson
