

# Year 2 Newsletter

Summer 2

Welcome back to our last half term at Consett Infant School. We have had a fantastic time in Year 2 and I am so proud of all the children in our class. I would like to say a big 'Thank you' to the boys and girls for their hard work, enthusiasm and for making this year so great. Well done for all of your hard work !!!

Many Thanks

Mrs Stephenson

## Oceans and Seas

We are continuing our theme of Oceans and Seas this half term. We had a great visit to Hartlepool Historic Quay and much of our work this half term will be related to this. If you have anything of interest linked to our topic, please send it into school!

## End of Year

We have lots of exciting things planned for our Year 2 children this half term. We will be visiting new classes, new schools and meeting new people—it's very exciting but also quite a worrying for some children. If you have any concerns, please let me know!

## Reading Books

Children are making great progress with their reading because they are practising their reading at home every night. Even though we are reaching the end of the school year, Please can you make sure your child returns his / her reading book to school each day as we try to change reading books regularly.

## PE

We have a Tennis coach working with the children each Wednesday morning. The children are thoroughly enjoying the experience!
